

REMARKS

As originally filed, Claim 9 included the unit “millimeter.” The Applicants submitted a Preliminary Amendment and Election of Claims on June 14, 2007, in which Claim 9 included an inadvertent typographical error, replacing the word “millimeter” with “micron.” The Examiner has treated the error as an amendment, and objected to the resulting identical language of Claims 9 and 10. The amendment to Claim 9 herein returns Claim 9 to its original wording. Thus, the amendment is fully supported by the Specification as originally filed.

The Applicant requests the Examiner to telephone the undersigned attorney of record at (972) 480-8800 if such would further or expedite the prosecution of the present application.

Respectfully submitted,

HITT GAINES, PC
